The mission of the Miss Oklahoma's Teen Scholarship Competition is to provide an opportunity for Oklahoma's young teenage ladies to compete in a first-class teen scholarship competition and to encourage them to continue pursuing their talents, become positive influences in their communities, and develop into responsible young women of the highest morals and integrity.

The competition provides an opportunity for teenage ladies in Oklahoma to engage in a formal interview with the judges, which helps them develop positive communication skills for life. The young ladies will focus on their personal fitness training in preparation for the health and fitness competition. Their gracefulness and poise will be showcased in the evening gown and on-stage question competition, and their talents will shine during the talent competition.

Dress as if you were giving a speech to your student body, interviewing for a job at a trendy boutique, or being introduced as the new class president in front of the entire school. Look professional and confident, but remember, we are a TEEN organization.

Community Service Initiative (CSI)

COMMUNITY SERVICE INITIATIVE (CSI)

Miss America's Community Service Initiative (CSI) is an integral part of the interview phase of competition, supporting one of the branded elements of Miss America as outlined by the "Four Points" of the crown. The "Four Points" are Style, Scholarship, Service and Success. CSI is specific to the **SERVICE** point of the crown.

The CSI initiative allows you, as a participating Delegate, to showcase and deploy your interests and creativity, to outline a plan or effort to engage within your local community or state existing programs. You may also design your own program for your community or state.

This ONE page submission in san-serif font style of your choice, font sizes from 11-14 only, should include the following:

- A description of your Community Service Initiative passion or interest
- Why you chose this particular initiative
- How you've partnered or will partner with local/state communities to create momentum
- Any social media or marketing strategies that will best support your CSI
- Any activities you have planned or participated in with respect to this CSI

Use of Graphics

At the local level, you may use "header only" graphics approximately ½ inch from the top of the 8.5 x11 page. Graphics may include existing organizations' logos, taglines or other creative efforts. You may use bullet points within your long form essay. Your local/state organization may decide to have you submit your CSI single page electronically, via a form rather than a pdf, through a portal, or other options.

Signature and Date

Please sign and date your submission at the bottom right hand corner, and include your local title. No submissions to be verified without signature.

NOTE: Marketing & Promotional Suggestion

For personal use/promotion - NOT for an interview submission - you may create a fully graphic page for insertion into a state program book, distribution online as a promotional flyer, printed item to distribute during community events or presentations, or as a 'one sheet' to advertise your participation within the Miss America or Miss America's Teen programs online, or while raising funds. There are no guidelines as to promotional creative, other than you must have State/local permission to use Miss America or Miss America's Teen logos.

Title: Miss Northwestern's Teen

Celebrating Cultural Diversity and Inclusiveness

It is imperative that this nation face and embrace its cultural diversity. While many people have talked about this issue, I believe that most of them have only paid lip service to the true necessity of what needs to be addressed related to this issue. There is a false truth in merely accepting and tolerating cultural diversity. I intend to prove that in order to accept and understand people of other cultures; one must be willing to step out of a personal cultural comfort zone and identify the origin of their prejudice. I will specifically focus on three areas: Children, Communities, and Businesses.

The title of Miss America, combined with the national media already looking at the surface of this issue, will allow me to create the national awareness that must exist. Currently, the term "Cultural Diversity" is well known in the halls of institutions of higher learning and, perhaps, even in the public-school classroom because of the need for some to be politically correct. But, in order for us to make a true change in attitudes and behaviors of Americans, we must move beyond talk and into action and policy changes.

My plan is to motivate the media and to partner with the National Conference for Community and Justice. This organization has chapters in every major city in the nation and, in many cases, those chapters have community leaders involved who can, with encouragement and challenging, bring this issue out of hiding and into the public light in each of those communities.

Obviously, the media and the NCCJ already exist. However, what is lacking is a lightning rod to draw attention to this issue. This is where the Miss America Organization steps into the lead. What better role is there for Miss America than to be an agent of change in organizing our nation to accept our differences and to create an environment that values each person on individual characteristics rather than on stereotypes or assumptions?

For years, Miss America was seen as a young woman who cut ribbons and appeared in parades. It is time for "Miss America" to step out of the convertible and lead the parade. Our country's ethnic make-up is changing rapidly and our citizen's fear of terrorism can explode already existing, but deeply hidden prejudices. I want to be the leader that this nation needs.

This nation needs this issue addressed now and through the already existing NCCJ and its local and state organizations combined with the power of Miss America, we can make a concrete difference now, which will change the direction and the future of our nation.

Talent Introduction Form

This form is used to prepare the contestant's talent introduction. The introductions should "set the stage" for your presentation. DO NOT discuss background, training, or anything else that does not apply directly to your routine. This introduction should be no longer than 25-30 words and must end with your name. (For example: "There are two lasting gifts we give our children...roots and wings. Here with her interpretation of 'A Piece of Sky' from the motion picture 'Yentl' is Janie Doe.")

Contestant Name: _____

Talent Type (pop vocal, opera, ballet, tap dance, etc): _____

Talent Selection: _____

Please type your suggested Talent Introduction here: _____

To eliminate the possibility of more than one contestant using the same song or piece, there will be no duplication of music or dramatic reading in the talent presentations. The same music **may** be sung by one contestant and danced to, twirled to, played on a musical instrument by, etc. another contestant. However, if one contestant is using a given song in its entirety, another contestant may use a portion of that song as part of a medley as long as it is not the dominant song in that medley. The contestant who turns in the paperwork first will be given first priority.

Remember – **TALENT CANNOT EXCEED 1 MINUTE 30 SECONDS.**
